

Maximum VSWR 1.25:1 over waveguide band.

[FEATURES / BENEFITS](#)

Technical features

STRUCTURE

| | | |
|---|--|---|
| Type of Rectangular Waveguide Component | | Waveguide to Type N Female Coax Adapter |
| Waveguide Size IEC (EIA) | | R100 (WR90) |
| Coaxial Interface | | N-female |
| Flange | | CPR90G |
| Flange Finish | | CPR90G |

ELECTRICAL SPECIFICATIONS

| | | |
|---------------------------------|-----------|-------------|
| Minimum Return Loss (max. VSWR) | dB (VSWR) | 19.1 (1.25) |
|---------------------------------|-----------|-------------|

MATERIAL

| | | |
|----------|--|-------|
| Material | | Brass |
|----------|--|-------|

PACKAGING INFORMATION

| | | |
|------------------|--|---|
| Package Quantity | | 1 |
|------------------|--|---|
